

# Capistrano C1S

**Introducing Capistrano C1S.** A smooth, blue-white, coated one-side sheet that works in a wide variety of printing and packaging applications. Available in 90 bright 70#, 80# and 95# basis weights, Capistrano® C1S papers print beautifully and hold up to the rigors of folding, die-cutting, litho lamination or any strenuous converting processes required by the sheet. The gloss, high brightness and blue-white shade of the Capistrano C1S paper makes this an ideal choice for ensuring your printed products stand out. Our flexible machine scheduling and improved on-machine coating application means a smooth print surface and consistent product each time. The Capistrano C1S products are available with FSC® or SFI® chain of custody certification as an option.
