

Capistrano

When your project demands the highest quality, Capistrano® will not be outperformed.

Rated as a top choice by printing professionals, the paper's smooth, bright, blue-white sheet and 92 brightness bring true-to-life reproduction and crisp, clear images to any printed piece. Printers, catalog and magazine publishers, designers and corporate end-users have come to rely on the beauty of Capistrano.

Capistrano #2 coated freesheet paper offers high quality with all the characteristics expected by today's graphic industry—consistent press yields, runnability, minimal variation and solid performance. Capistrano is available in a wide variety of weights and finishes, and the line is competitive with any similar product.

Solid performance job after job, responsive customer service and a flexible manufacturing process mean that you can rely on West Linn Paper to deliver order after order.
